

Audio Sound Create Plan

Name: Robert Sack

The purpose of the sound file is to introduce my interpretation of what LOSS feels like. My mother-in-law passed away early this morning and my wife and I are grieving.

For the next two questions (highlight one or more that describes your project or add and highlight your own word):

Merge File Purpose: inform, entertain, introduce, **expression**, persuade

Intended Tone: calm, serious, humorous, scary, zen, frantic, angry, **sad**, animated, passionate, direct, dignified, defiant, curious, excited, joyful, optimistic, and cheerful

Audio Files Chosen:

Loss ¹ as read by Robert Sack
Vivaldi Sinfonietta In B Minor First Movement ²

Plan (write a narrative plan of the order of files and fades - Include the words you will record as an introduction and conclusion [less than 4 seconds each])

The 47 second audio file is a tribute to my mother-in-law who passed away this morning. It is a reading of the poem Loss by Winifred M. Letts with a fade-in of an excerpt of the first movement of Vivaldi's Sinfonietta in B Minor, a somber and mournful piece of chamber music.

Approximate Time: 47 seconds
